

## We are a passionate bunch

The Whitehaven Harbour Youth Project celebrated its 20th birthday in 2016. It has been an incredible journey.

From relatively small beginnings the project has grown into one of the largest providers of youth groups, sports and outdoor activities in the area.

We are a registered charity and company limited by guarantee. We are part grant funded and part supported by our own earned income and fundraising. A Board of Trustees have overall responsibility for the charity which is run on a day to day basis by a team of 7 permanent staff as well as 800+ hours of volunteer time each year!

Her confidence has grown a great deal. Without WHYP life would be very different for her.

People say I'm more confident since going to WHYP. I agree!

## Sports & Outdoor Adventures

Our activity programme is filled year round with opportunities for young people to try new activities, get out in the great Cumbrian outdoors and gain nationally recognised accreditations such as the Duke of Edinburgh Award, Table Tennis England Butterfly Skills Awards, and National Indoor Climbing Awards to name just a few!

But it's not only youth club members who can get involved!

- Fancy trying Stand Up Paddle Boarding as a family?
- Looking for new and exciting after school clubs?
- Planning a staff training day for you and your colleagues?
- Incorporating adventure and outdoor learning into the school curriculum?

We can help and you can support a local charity at the same time!

We hold an Adventurous Activities License, provide minibuss transport, and have all or own qualified and experienced staff. Our prices are highly competitive and all income generated is fed directly back into our charitable activities.

## Why we exist...

Our mission is "To give young people an opportunity to develop their potential, to understand themselves and others, to enjoy life and contribute positively to the world."

We promote healthy and positive lifestyle choices in everything that we do. Every year over a thousand young people enjoy our services and facilities and hundreds of those told us that they have made new friends, grown in confidence, become physically fitter, felt happier, or gained a nationally recognised accreditation as a result.

We operate on an entirely not for profit basis and keep activity costs at an absolute minimum to make sure that as many people as possible can access our services.

The facilities and refreshments were ideal and staff were extremely helpful. Great value for money, wouldn't hesitate to book again.

They offer a safe, friendly, fun environment to socialise and take part in a whole host of activities including table tennis, girls groups, gaming club, rock climbing, football, and arts.

In addition to our regular programme of events, we offer extra adventures throughout the year including skiing, sailing, cycling, shopping excursions, theatre and cinema trips, bowling, and trips to national sporting events. These can last anything from a few hours to 8 days!
